Incentive  
Program

### 2014 INCENTIVE PROGRAM

#### Opportunity to increase membership and non-dues revenue!

Each year our statistics demonstrate how the referrals from local chamber websites are the BEST internet leads we receive!

Once again we have updated our website graphics and offer an incentive for chambers to **update or add our banners and/or text** on their websites.

Add our specifically researched and UPDATED "text" and "hot links" to the front page of your chamber's website.

This exciting marketing initiative will generate new Chambers Plan inquiries resulting in new memberships and more administration fees for your chamber – **don't delay** – add the information or send it to your website provider to add today! (Emailed each Tuesday.)

**Deadline: June 30, 2014**
